

Los Angeles County Junior Lifeguard Program
SUMMER 2011
Junior Lifeguard Transportation
SOUTH LOS ANGELES & EAST LOS ANGELES

To increase the access of our activities to those living at least fifteen miles from the beach, the Los Angeles County Junior Lifeguard Program will offer transportation to and from many locations (refer to list on back page).

Transportation to and from our designated locations is available to participants enrolled in the Junior Lifeguard Program. **Seat space is limited and will be assigned on a first-come, first-serve basis.** Please mail the attached application to:

Junior Lifeguard Transportation
2600 The Strand
Manhattan Beach, CA 90266

Parents are responsible for transporting participants to and from the pick-up locations. **Participants must be on time and the van pool/bus must leave on time.** Please send a parent note with the Junior Lifeguard for the bus supervisor if the participant will not be riding to and from their assigned session to their normal pick up/drop off location.

SAFETY and BEHAVIOR RULES

1. Junior Lifeguards must be in uniform before getting in bus or van.
2. Junior Lifeguards must obey the instructions of the bus driver, van driver and/or bus supervisor at all times.
3. Junior Lifeguards **must remain completely within the vehicle at all times** (no arms/legs out the windows). No item (trash, food, drinks, clothing, etc.) is to be held, thrown or dropped out of the bus/van windows. No item is to be thrown or poured inside the bus.
4. Junior Lifeguards must sit in designated seats and must remain seated at all times while the bus/van is in motion. Seat belts must be worn when riding in any of the vans or L.A. County vehicles.
5. All personal belongings and trash must be picked up before exiting the bus/van.
6. The Junior Lifeguard Program is not responsible for participant's personal belongings. It is highly recommended participants do not bring anything of value: ipods, gameboys, etc.
7. Any Junior Lifeguard's behavior deemed unacceptable by the bus/van drivers, instructors or staff may result in the participant being suspended or removed from the transportation program for the remaining session. Unacceptable behavior includes any violation of the Junior Lifeguard code of conduct or the refusal to follow bus supervisor's instructions.

**YOU WILL BE NOTIFIED OF YOUR PICK-UP AND DROP-OFF
TIMES PRIOR TO THE FIRST DAY OF JUNIOR LIFEGUARDS.**
